Najd Feki

Tunisia, Ben arous, Boumhal • +216 51 857 357 • fekinajd@gmail.com

Full Stack Developer | React & Node.js Specialist adept at all stages of advanced web development. Experienced with the latest state-of-the-art development tools and procedures. I'm able to effectively self-manage independent projects, as well as collaborate within a productive team. Please visit my portfolio for more information about my projects, skills and accounts: Portfolio link.

Experience

DECEMBER 2022 - PRESENT
Full Stack developer contractor| Finc3 GMBH / Front Row Group | Germany (Remote)

- Developed and maintained custom web applications at Finc3 GmbH, leveraging full-stack development skills to deliver high-performance solutions tailored to client needs.
- Specialized in Power BI visualizations, React and node development, crafting custom visuals to provide clients with insightful and visually appealing data representations and manipulation, enhancing their decision-making processes.
- Collaborated seamlessly within cross-functional teams, translating project requirements into innovative technical solutions and ensuring the successful delivery of web development projects.

JUNE 2022 – JUNE 2023
Full Stack Team Lead web developer | Aroundix | United Arab Emirates (Remote)

- Designed a robust microservice architecture to support a variety of mobile and web dashboard applications for a marketplace project. As well as working on their frontends using React to ensure seamless user experiences across platforms.
- Managed end-to-end Continuous Integration and Continuous Deployment (CI/CD) processes for the microservices infrastructure.
- Directed collaborative efforts within cross-functional teams to transform project requirements into functional web solutions, achieved on-time delivery of 8 projects tailored for thousands of users.

JUNE 2021 - JUNE 2022
Full Stack web developer | eDonec | Tunisia

- Worked on various web and mobile applications such as marketplaces, traveling apps and video galleries.
- Notable projects: keplertravel.com, asapforyou.fr and ream-movie.com
